Liz, Do you have, or would Kirstin have any thoughts regarding the need and ability to access the area to sample that source, possible discharge, and surface water/sediments upstream and downstream of that input to Mineral Creek?

Sincerely,

Sabrina Forrest

Hi all,

DRMS (Kirstin Brown) is doing a small remediation project on the Bullion King. They are capping a waste pile with a liner material. We have been aware of the project but haven't been involved. The work was to be completed this field season.

Liz

Looks like some work is taking place on Bullion King. I don't have any details; perhaps Liz and Dan know more.

Sincerely,

Sabrina Forrest

Subject: ARSG Agenda for Sept. 22 Meeting

Dear Stakeholders – Attached is the agenda for our next meeting in Durango at 6:30 in the La Plata County Commissioner's room. Note that the commissioners are in a new location – the building diagonally across from the northwest corner of the county courthouse. The address is on the agenda. Doug Jamison with CDPHE (Hazardous Waste and Materials Division) will give a presentation on the Superfund process.

Also attached are meeting notes from our August meeting. Hope to see you next Tuesday.
